Case No. 2:10-CV-446-JRG-RSP

CONSOLIDATION ORDER

The Court has reviewed the pleadings, and observes that the same patent is at issue in all of these related cases. Given that there are common questions of law and fact, at least with respect to claim construction, and in order to prevent conflicting rulings and to avoid unnecessary cost and delay, the Court hereby consolidates the cases listed in the caption for pretrial purposes only. Case No. 2:12-CV-61 is designated as the lead case. All future filings must be made in the lead case until this consolidation order is vacated.

SIGNED this 31st day of January, 2013.

ROY S. PAYNE
UNITED STATES MAGISTRATE JUDGE
